ABC RECYCLING

ALL Business & Commercial Recycling

Saving our Earth...*together*

What We Recycle

The mission of ABC Recycling is to provide a one source recycling solution for agricultural, commercial and business operations in Nebraska and area states. We provide an environmentally safe method for the removal of recyclable materials.

The following is a partial list of the types of materials ABC can recycle for you.

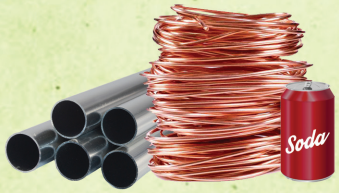
☑PLASTIC

Most plastic containing #3-7 plastic codes

- Pipe - irrigation (PVC)
- Pipe - HDPE #2
- Agricultural liners/tubing
- Containers & tubs from feed, seed & fertilizer (rinsed)
- Barrels/IBC toters (rinsed)
- Buckets/Crates/Pallets
- Construction barrels/cones
- Shrinkwrap, acrylic signs
- Agricultural Bags

☑FIBER

- Cardboard
- Office Paper
- Newspaper
- Magazines



☑METALS

- Steel & Non-Ferrous metals (i.e. aluminum, wire, etc)

☑ELECTRONICS

- Any electronic equipment (there is a small fee)

☑DOCUMENT SHREDDING

- Shredded at ABC Recycling Warehouse

**WE CANNOT TAKE: Wood, Glass or Console TVs*
